For almost 200 years New York Eye and Ear Infirmary of Mount Sinai (NYEE) has been setting the highest standards of excellence in the treatment of complex eye diseases. Whether developing groundbreaking diagnostic technologies or new treatments, our patients are at the heart of everything we do. As a leading ophthalmology hospital, NYEE has been ranked #11 nationally (highest-ranked in NYC) by U.S. News & World Report. In addition, our expert clinical staff is on the faculty of the Icahn School of Medicine at Mount Sinai, ranked among the nation’s top 20 medical schools by U.S. News & World Report.
Our deepest & most sincere gratitude to the Mount Sinai Adolescent Health Center Advisory Board for their hard work and support in making this event possible.
Congratulations & our deepest gratitude to the Mount Sinai Auxiliary Board!

You are truly legends & make our work possible.
